

Learning Inventory – 30-Minute Writing Sample Grades 1–9

The purpose of collecting a writing sample is to provide teachers with a quick snapshot of a learner's writing skills at a given moment. This is intended to be a quick write, not a fully developed piece following the entire writing process. All students will respond to the same writing style—personal writing—across grade levels.

Prompts may be based on a shared classroom experience, your own visuals, or one of the two photo prompt sets provided to schools. A shared experience could include a school or community connection (e.g., a forest walk, a field trip, school murals, or buddy activities).

Procedure

Before Introducing the Topic:

- Consider a shared class, school, or community experience (e.g., forest walk, field trip, murals, buddy activities, or district photo prompts).
- Take photos to display in the classroom.
- Introduce precise vocabulary during the experience.
- Plan your guiding questions.
- Use a Sensory Brainstorm.
- Refer to Class Discussion Strategies in the Writing Framework or the District Writing Sample Outline on Cowichan Learns.

Introducing the Topic

"Today you will write about _____ (topic). We are going to do some different activities to get ready to write."

Use a class discussion strategy for whole class brainstorming. (See the Writing Framework or District Writing Sample Outline.)

"You will have about 30 minutes to write about _____ (topic). If you finish early, you may re-read your work. You may begin."

Provide a 5-minute warning before the end so students can wrap up their ideas.

For second language learners, you may provide up to 60 minutes and/or spread the task over multiple days.

Note: This is a 30-minute writing sample and does not need to be proofread, edited, or polished. Consider the aspects on the rubric from the lens of a draft piece of writing.

Accommodations

This writing sample is designed to be accessible to all learners. Any IEP accommodations must be maintained. If using a scribe, the scribe must record only what the student says - no adult prompting.

Universal supports include:

- Extra time
- Spell check
- Repetition of instructions
- Visual reminders
- Graphic organizers

Marking

Rubrics are available to help teachers identify students' writing strengths and areas for growth.

- Based on the BC Curriculum, these rubrics are available on the Learning Inventories SharePoint.
- Highlight statements that apply to the writing.
- Use the rubrics for Assessment for Learning, to support students, and to identify writing goals.
- Collaborative marking with colleagues is encouraged.

Teacher Notes

- Ensure any necessary electronic devices are charged and ready.
- Prepare photos or prompts to display around the room.

- You may continue teaching and revising this sample after collecting the rough draft.
